At the University of Kentucky, safety is among our most important priorities. It's in that context that each year we distribute an Annual Campus Safety and Security Report. It's part of an effort to transparently inform the campus community regarding crimes that occur on our campus as well as important policies designed to create a more inclusive, safer community of belonging.

The University of Kentucky's 2022 Annual Campus Safety and Security Report (covering statistics from 2019-2021) is available for viewing and/or printing here: <https://police.uky.edu/sites/default/files/2022-09/Annual-Safety-and-Security-Report-2022-Calendar-Year-2021-Stats-FINAL.pdf>

This report includes the latest statistics for 2021, as well as statistics from 2020 and 2019 concerning reported crimes that occurred on campus; in certain off-campus buildings owned or controlled by UK; and on public property immediately adjacent to campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault and other matters.

If you would like a printed version of the report or if you have any questions, please contact the UK Police Department, Division of Crisis Management and Preparedness at 859-257-9567 or [cmp@uky.edu](mailto:cmp@uky.edu).

Additionally, UK's 2022 Annual Fire Report is available for viewing and/or printing here: [https://ehs.uky.edu/docs/pdf/fs\\_annual\\_fire\\_safety\\_report\\_2022\\_01.pdf](https://ehs.uky.edu/docs/pdf/fs_annual_fire_safety_report_2022_01.pdf). The University of Kentucky Police Department Daily Crime Log can be found online by [visiting this link](#) . This log contains all of UKPD's activities such as reports taken and arrests made, as well as any incidents reported to the designated Campus Security Authorities. Additionally, crimes occurring on university property that are reported to the Lexington Police are included on this log once the university is notified by the Lexington PD. This site is updated every twenty-four (24) hours Monday through Friday. Additionally, a printed log containing UKPD activity is maintained by the UKPD Telecommunications Office and is available for viewing at all times. The University of Kentucky Fire Marshal Campus Fire Log can also be found on-line for viewing at this link. This log contains a description of all reported fire/threats of fire incidents occurring in on-campus student housing.

As a member of the University of Kentucky community, we are all required to notify the University of Kentucky Police Department of any situation or incident that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of the UK community.

To report any criminal behavior on our campus, call UKPD immediately at 859-257-8573(UKPD) from any mobile phone, 911 from any campus phone, use the blue emergency phone towers or the [LiveSafe application](#).
