

# What is DAP?

The Digital Access Project (DAP) expands access to Fayette County Kentucky's historical records including deed books, order books, and their indexes by making high-quality scans of them available online to the public.

# How Do You DAP?

- To access the DAP records, visit the Fayette County Clerk online portal at <https://fayettedeeds.com>
- Click "Land Records Search"
- Click "Non-Indexed Documents"
- ▶ For additional instructions on navigating the DAP records available online, visit the Fayette County Clerk website at [www.fayettecountyclerk.com](http://www.fayettecountyclerk.com)
  - ▷ Click "Land Records" tab
  - ▷ Then click "Digital Access Project"
  - ▷ Then click "Online Portal Instructions" to open a PDF file

# What's Next?

- Community Events and Outreach
  - ▶ DAP is currently designing community programming
- Digital Humanities Portal
  - ▶ DAP is currently working to design a series of digital exhibits
- Transcription Initiative
  - ▶ DAP is currently working to launch a transcription project that will make high quality transcriptions of these documents available to the public.
