Subject: Register to vote in 2024 election

Web Version

As Kentucky's land-grant, flagship institution, the University of Kentucky plays a critical role in strengthening civic engagement in the Commonwealth and beyond.

To that end, the university is reminding students, faculty and staff to register to vote ahead of the 2024 general election on Tuesday, Nov. 5.

The university will be closed on Election Day to ensure all eligible voters have the opportunity to exercise this right.

To vote in Kentucky this year, you must register by Monday, October 7, 4 p.m. local time.

You can check your voter registration status and/or register at <https://vrsws.sos.ky.gov/ovrweb/>.

If you are a student registered to vote elsewhere in Kentucky but will be at UK on Election Day, you may [apply for an absentee ballot](#) with your county clerk.

If you are from another state attending school at UK, you can visit [this page](#) to learn more about becoming a voter in Kentucky or you can contact the elections office in your home state to find out how to receive a ballot while in Kentucky.

Find other key deadlines and helpful information for students and employees below.
